Fountain Valley PONY Baseball is affiliated with PONY Baseball, Inc., an international organization with over 60 years serving young baseball and softball enthusiasts. FVPB features exciting PONY baseball for ages 4-14. Players are placed in divisions based on age groups that span two years. Field sizes are scaled to fit each age group. Starting at the age of 9 years old, players have the opportunity to play "real baseball", including leadoffs, stealing bases, holding runners on base, and dropped 3rd strikes!

All games (except Pony division) are played at Mile Square Park Sports Complex

All interested Manager candidates must register and apply with FVPB online, and submit to a background check. Applicants are highly encouraged to register/apply by December 12, 2011.

Manager applicants will NOT be considered if registration, application and background check are not completed and submitted to FVPB

Again this year, FVPB offers ONE FLAT FEE to register. NO volunteer buyouts. No snack bar duty
3 YEARS NOW at the SAME LOW RATE!
